

STUDENT NETWORK REP

SKILLS & ATTRIBUTES

What do you need?

Good Listener

Approachable

Networking

Negotiator

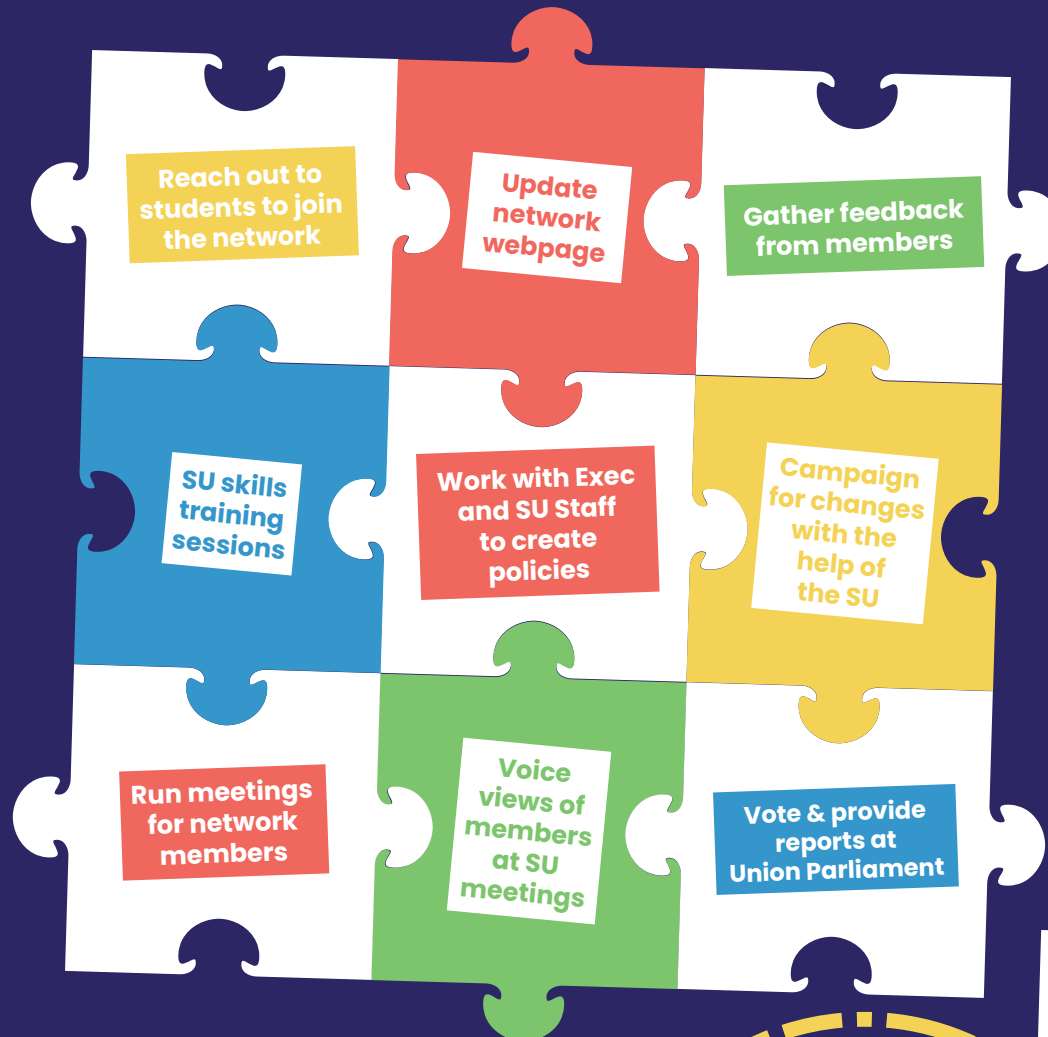

Campaigner

Good Time Management

Student Network Reps are volunteers who work alongside their studies to represent the views of groups of students who experience disadvantage because of who they are or what they look like.

What do you do as a Student Network Rep?

BENEFITS

What's in it for you?

- Create positive change for yourself and others
- Direct links within the SU and University
- Demonstrate your skills in a position of responsibility (looks great on your CV!)
- Full support and development opportunities provided by Beds SU!
