

Course Rep WhatsApp Groups 23-24

Please note, these groups are for Course Reps only. Non-Course Reps will be removed.

In order to further build the Course Rep community, Beds SU has organised a WhatsApp group for each School within the University of Bedfordshire. This is a space to chat to your fellow Course Reps about issues, solutions, and ideas you'd like to see become reality!

The following rules apply to all groups:

- Everyone is welcome to have a say
- We listen to each other, and show respect for each other
- Even if we disagree, we don't judge others
- We always treat each other with respect
- We work towards the positive
- Personal Information of other students should not be shared in the groups
- We aim to share, support, learn and build each other up

Beds SU will not tolerate:

- Bullying
- Harassment
- Offensive material or messages
- Selling
- Advertisement for services

Should you be found in breach of any of the above, you will be removed from the WhatsApp group.

A Beds SU admin will be present in every group. We will get involved in discussions and may ask you for feedback. However, please remember that at times we will be busy and therefore won't check our work phones as often. In addition, **we will not monitor the chats outside of our work hours.**

If you have an issue or question, it is always best to email help@bedssu.co.uk, where your query can be assigned to the most appropriate person.

Please note, these groups are for Course Reps only. Non-Course Reps will be removed.
